

## **Encompass Trading (PTY) Ltd Will Pursue Sustainability Certification, Carbon Neutrality and ESG Compliance**

Encompass Trading (PTY) Ltd (<https://www.etpro.co.za/>), of Pretoria, South Africa, manufacturers and supplies an extensive range of high quality cleaning detergents and hygiene products; and provides comprehensive cleaning services to commercial and domestic consumers nationwide. The company has decided to pursue the Edenark Group ISO 14001 environmental sustainability certification program.

The Edenark Group ISO 14001 is the world's premier environmental sustainability certification program and allows SMEs (small to mid-sized enterprises) the ability to attain the world's most popular environmental certification standard via a program designed and priced specifically for them. Edenark Group also helps clients pursue carbon neutrality and ESG compliance, using the Edenark Group ISO 14001 as a foundation for long term compliance.

The program, which allows companies to progressively improve at a pace that works for their needs, helps the organization define how it interacts internally, externally, and with the environment. It incorporates energy/waste/water, employee health and performance enhancement, community involvement, procurement and suppliers, compliance and regulations, emergency/security, and stakeholder engagement. Benefits include creating a culture of continual improvement, stakeholder engagement, lower costs, higher revenues and profits, improved employee performance, and..... doing the right thing for the environment and current and future generations.

"We are committed to make a difference in people's lives and help create a clean, safe and healthy environment," says James Ojo, Director and CEO of Encompass Trading (PTY) Ltd. "Our mission is to solve problems, regardless of size. As small of a problem as a dirty or untidy environment may appear to be, it provides an opportunity for our company to help our client, the employer, create a healthy, safe and clean working environment for its employees. This improvement in working conditions and employee health, improves performance, and profitability for our client. Further, our products are environmentally safe and Green. The Edenark Group ISO 14001 program is the best in the world. It gives us the opportunity to show that we operate at the highest level."

"When an organization pursues, and attains, the Edenark Group ISO 14001 sustainability certification, they are not just doing it to see their costs go down and revenues and profits go up. They are setting a higher bar for their organization and sending a signal to all those around them," says David Goodman, CEO of Edenark Group. "They are agreeing to adhere to the world's Gold standard for sustainability certification; are choosing to be a leader and part of the solution, not the problem; and are joining an elite fraternity of over 300,000 organizations, in over 150 countries, that have committed to continually improving in every way."
